Thankfully I'll be getting more, more, more, soon because Confessions; Robbie is book one in this new series. Unexpectedly, it ended on a low angst cliff hanger rather than a HFN, which is definitely gearing us up for book two which I reckon will have the emotional trauma, and angst pouring out of Priest in bucket loads.

I am complex. My love is all-encompassing. And when it comes to my heart, there is only one rule: Don't mess with what's mine. Until the age of seven, I was Joel Alexander Donovan, son of Jimmy. a past. A man determined to right the wrongs of my father. A man who never believed anyone could love the son of such a monster. But then a thief stole my heart. A sweetheart lit up my world. And I forgot for a moment you should never turn your back on your enemy. And thus begins a lesson to those who would seek to harm: Never underestimate what the Priest will do to protect the Princess and the Prick.

People are complex. Love a double-edged sword. And when it comes to a broken heart, there are no rules, only time... For the past eight years, Julien Thornton has been living with a secret. One that only a handful of people know about. To the outside world, he has it all. A thriving career. A loving husband. And a face that the American public fell for by the millions, on a reality show that inadvertently saved his life. But behind the shine of celebrity, behind the easygoing nature, a crippling truth fills Julien with pain and self-loathing. It's a truth that he fights to overcome daily with the help of his husband, Joel Priestley, and now their boyfriend, Robbie Bianchi. But unlike Priest, Robbie doesn't know what he's helping Julien to fight. He doesn't know what Julien did all those years ago. And with the anniversary of his sister's death fast approaching, the time for explanations is running out. And thus the question: will the princess be able to forgive the prick as the priest once did? Only time will tell.

#1 NEW YORK TIMES BESTSELLER BONUS: This edition contains excerpts from John Grisham's *The Litigators* and *Calico Joe*. An innocent man is about to be executed. Only a guilty man can save him. In 1998, in the small East Texas city of Sloan, Travis Boyette abducted, raped, and strangled a popular high school cheerleader. He buried her body so that it would never be found, then watched in amazement as police and prosecutors arrested and convicted Donté Drumm, a local football star, and marched him off to death row. Now nine years have passed. Travis has just been paroled in Kansas for a different crime; Donté is four days away from his execution. Travis suffers from an inoperable brain tumor. For the first time in his miserable life, he decides to do what's right and confess. But how can a guilty man convince lawyers, judges, and politicians that they're about to execute an innocent man?

try? And he wants to try Tate Morrison. Just coming out of a four-year marriage with an ex-wife from hell, a relationship is the last thing on Tate's mind. He's starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago. The only problem is, Tate has caught the unwavering and unwelcome attention of Mr. Logan Mitchell—a regular at the bar and a man who always gets what he wants. Night after night Tate fends off the persistent advances of the undeniably charismatic man, but after an explosive moment in the bar, all bets are off as he finds his body stirring with a different desire than his mind. As arrogance, stubbornness and sexual tension sizzle between the two, it threatens to change the very course of their lives. Logan doesn't do relationships. Tate doesn't do men. But what would happen if they both just gave in and...tried?

Brilliantly funny, teenage angst author Louise Rennison's first book about the confessions of crazy but lovable Georgia Nicolson. Now repackaged in a gorgeous new paperback and looking even fabber than ever. Louise is an international bestselling author and her books can't fail to make you laugh out loud.

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her poeey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try he's hooked. Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance. Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man. Ever since then, he's thought about little else. At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning. He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife. Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

Fans of M/M romances will love this story about a playboy who doesn't do relationships and a bachelor who doesn't do guys.
