International Journal of Security IJS

The International Journal of Maritime Crime and Security (IJMCS) will be the first high-quality multi/interdisciplinary journal devoted to the newly identified field and academic discipline of maritime security and to the study of maritime crime. The latter has been neglected, as the scientific study of crime has remained essentially landlocked. The Journal will cover the following, broadly constructed and interpreted, disciplines as they relate to maritime security: economics, environmental ...

International Journal of Maritime Crime & Security

International Security, Steven E. Miller, Editor-in-Chief, Morgan L. Kaplan, Executive Editor, Owen R. Coté Jr., Editor, Diane J. McCree, Managing Editor, International Security publishes lucid, well-documented essays on the full range of contemporary security issues. Its articles address traditional topics of war and peace, as well as more recent dimensions of security, including environmental, demographic, and humanitarian issues, transnational networks, and emerging technologies.
