Lizing An Asian American Community

But the Asian-American community, in particular, has been feeling the brunt in a completely different and unexpected way. For Tanny Jiraprapasuke, that wake-up call came on a subway train on a Saturday night. She was returning from a "mindfulness" workshop with friends, when a seemingly intoxicated male got on board, she told CGTN. Standing ...

Lizing An Asian American Community

The term "Model Minority" was first used in 1966 to refer to the growing success of mainly Japanese Americans, but has now grown to include both South and East Asian Americans. The myth distinguishes Asian Americans as law-abiding, productive, and polite citizens who have achieved higher success than the general population. Since its inception in popular media, the Model Minority praises Asian Americans for their apparent success across economic, academic, and cultural domains which is ...

NEW YORK, Oct. 26 (Xinhua) -- New York-based Asian American advocacy groups have expanded their operation coverage by setting up a new office in Flushing of city's Queens borough. The Asian American Community Empowerment (BRACE) and Coalition of Asian-Americans for Civil Rights (CAACR) unveiled their Queens Service Center on Sunday at the neighborhood featuring a big presence of Asian Americans.

The Routledge Companion to Asian American Media offers readers a comprehensive examination of the way that Asian Americans have engaged with media, from the long history of Asian American actors and stories that have been featured in mainstream film and television, to the birth and development of a distinctly Asian American cinema, to the ever-shifting frontiers of Asian American digital media. Contributor essays focus on new approaches to the study of Asian American media including explorations of transnational and diasporic media, studies of intersectional identities encompassed by queer or mixed race Asian Americans, and examinations of new media practices that challenge notions of representation, participation, and community. Expertly organized to represent work across disciplines, this companion is an essential reference for the study of Asian American media and cultural studies.

Table of contents

Since their first publication, the four volumes of The Cambridge History of American Foreign Relations have served as the definitive source for the topic, from the colonial period to the Cold War. This third volume of the updated edition describes how the United States became a global power - economically, culturally and militarily - during the period from 1913 to 1945, from the inception of Woodrow Wilson's presidency to the end of the Second World War. The author also discusses global transformations, from the period of the First World War through the 1920s when efforts were made to restore the world economy and to establish a new international order, followed by the disastrous years of depression and war during the 1930s, to the end of the Second World War. Throughout the book, themes of Americanisation of the world and the transformation of the United States provide the background for understanding the emergence of a trans-national world in the second half of the twentieth century.

This third volume of the updated edition describes how the United States became a global power during the period from 1913 to 1945.

A feminist publication on art and politics.

This survey for educators of all grade levels provides vivid descriptions of how each of seven major Asian-American ethnic groups is faring in public schools both linguistically and socioculturally, and gives practical suggestions and effective strategies for teachers.

Annotation This project examines the political dynamics of Latino immigrants in California.
