The University offers two routes to a first degree in physics, both leading to a wide range of career options. The three-year course is

Read Online Physics Parts I And II Parts 1 2

designed for students with a deep interest in the subject who do not intend to become professional physicists.

Those following this option take Part II Physics in their third and final year.

Course Overview

: Part III –

Department of

Physics

The Physics

takes its title

from the Greek

word *phusis*,

which translates

more accurately

as “the order of

nature.” The

first two books

Read Online Physics Parts I And II Parts 1 2

of the Physics are Aristotle's general introduction to the study of nature. The remaining six books treat physics itself at a very theoretical, generalized level, culminating in a

Read Online Physics Parts I And II Parts 1 2 discussion of God, the First Cause.
