American government securities); 1928-53 in 5 annual vols.:[v.1] Railroad securities (1952-53. Transportation); [v.2] Industrial securities; [v.3] Public utility securities; [v.4] Government securities (1928-54); [v.5] Banks, insurance companies, investment trusts, real estate, finance and credit companies (1928-54)

A much-praised memoir of living and surviving mental illness as well as "a stereotype-shattering look at a tenacious woman whose brain is her best friend and her worst enemy" (Time). Elyn R. Saks is an esteemed professor, lawyer, and psychiatrist and is the Orrin B. Evans Professor of Law, Psychology, Psychiatry, and the Behavioral Sciences at the University of Southern California Law School, yet she has suffered from schizophrenia for most of her life, and still has ongoing major episodes of the illness. The Center Cannot Hold is the eloquent, moving story of Elyn's life, from the first time that she heard voices speaking to her as a young teenager, to attempted suicides in college, through learning to live on her own as an adult in an often terrifying world. Saks discusses frankly the paranoia, the inability to tell imaginary fears from real ones, the voices in her head telling her to kill herself (and to harm others), as well as the incredibly difficult obstacles she overcame to become a highly respected professional. This beautifully written memoir is destined to become a classic in its genre.

Este manual ha sido elaborado para desarrollar las cuatro destrezas lingüísticas en español como lengua extranjera/segunda lengua, con un enfoque centrado en la interacción comunicativa y la producción de textos orales y escritos. Está dirigido a los estudiantes que no tienen ningún conocimiento de español y que desean dar el paso al nivel A1 de E/LE y a los profesores que enseñan dicho nivel. Punto C/ELE cubre los contenidos funcionales y gramaticales que el Plan Curricular del Instituto Cervantes estipula para el nivel A1 y está orientado al conocimiento de la cultura chilena, especialmente para quienes estudian E/LE en un contexto de inmersión en Chile o América Latina. Cada unidad está organizada por funciones comunicativas específicas asociadas a temas culturales y usos sociopragmáticos concretos. Asimismo, los distintos temas incluyen actividades de audición, disponibles en una nube para facilitar el acceso de aprendientes y profesores.
